Native Sons of California Appeal to the Mayor.

the Mayor.

SAN FRANCISCO Aug 18 -A committee from the Order Native Sons of the Golden West today held a conference with Mayor Schmitz and James W. Coffreth promoter of the Britt-Neison glove contest, scheduled to occur at Colma, near here, on September 9. This is the date of the admission of California into the Union, and is annually celebrated by the native sons and daughters.

The committee asked that the date of the fight be changed and that it be held to this city. Coffroth said he would agree to this if he were granted a permit by the city. The Mayor did not object, but said that the permit must be granted by the supervisors, most of whom are out of town.

It was finally decided to communicate with them by wire and request their votes on the proposition. In the meantime, the date of the contest remains unchanged

ONE WORLD'S RECORD BROKEN ON SAUCER

Hollister of Massachusetts Lowers Mark on Three-Quarter-Mile Handicap.

Enthusiasm was rampant last night at the bicycle races at the Salt Palace sau cer track. One world's record was broken and the entire riding was exceptionally fast, causing the meet to be one of the most exciting that has been held this season. There was a large attendance. and at the finish of each race the spec tators arose en masse and volled at the top of their voices for their respective fa-vorites.

World's Mark Lowered.

World's Mark Lowered.

The third race was the event in which the world's record of 1:26-3-5 for three-quarter-mile handicap for professionars was broken. That record was established on the Ogden track iast June by Bardgett of Buffalo, N. Y. Hollister of Springfield, Mars, covered the distance last night in 1:22-4-5, lowering the record by 34-5 seconds. Eardgett was in the race last night, with a handicap of thirty yards, but he, like the remainder of the contestants, proved an easy victim for Hollister. He rode with the speed of a whirlwind. Hollister and Bowler of Chicaso rode as a ream, the latter giving the cago rode as a ream, the latter glying the winner great aid and coming in at fourth place. Half-Mile Sprint.

Half-Mile Sprint.

In the half-mile sprint, French style, Downing of San Jose lowered and dragged about the ground the colors of W. E. Samuelson of Provo. He won two successive heats, which made him winner of the race. The first heat was ridden in 196-3-5. Downing got away from the tape Ladly, and Samuelson, held the lead for two laps. With a little extra energy Downing took a chase up the saucer and came down with greater speed, which put nim in the lead. Samuelson tried hard to regain his lost ground, but falled to make good.

In Second Heat.

In Second Heat.

At the sound of the pistoi in the second beat both riders remained at the tape, each waiting for the other to take the lead out. The spectrators falled to understand that such a wait is permitted under the French style of riding and, as a result, a great volume of laughter went up. Some parleying ensued between the riders, and while Downing was demanding that two disinterested persons be made starters Samuelson pushed off and had gotten about fifty feet away before Downing realized what had happened Downing, however, got into action in quick fashion and was soon gaining on his opponent.

In Last Lap.

They came abreast in the last tap and Downing only won the race by a short distance, about hair a length of a machine. The time of the heat was 2.17-1.5. Samuelson claimed at the conclusion of the race that it had not been of sufficient distance to "warm him up," and immediately challenged Downing to a mile race of the same character, to be pulled off at the track next Tuesday evening. The challenge was accepted.
